| TOTAL AREA 112 M² | USEFUL AREA 107 M² | ROOMS | BATHROOMS 1 | PARKING | YEAR OF CONSTRUCTION 2007 |

Commercial property in the mezzanine with 112,00 m2, very bright due to the 5 m window front.

30 cm partition walls between the single premises for better sound insulation.

Possibility to buy a parking place in the garage situated in the same building

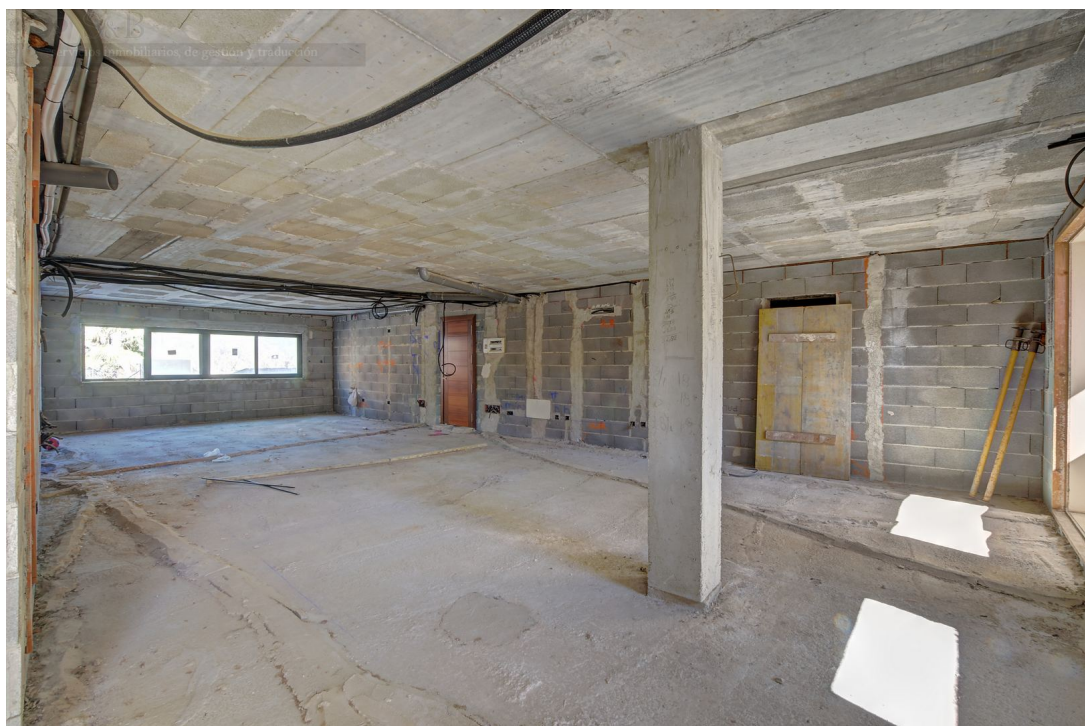

The usable area is aprox. 107,00 m2.

The commercial property is very well located and with good access from the main road, as it is situated in the northwest corner of the town and it is not necessary to enter and cross it in order to get there.

This property lacks the finishes. The owner offers the possibility of delivering it finished adding the works of said finishes to the sale price.

In case you need more space, in our reference 054055, we offer you a great possibility.
